Dedication

To you, Mrs. Dyer, our sponsor, teacher and friend, whom we wish to praise for all the concern, energy, help and guidance you have given us throughout the years, both as a teacher and friend. You have been one to help even though you were very busy. You took the time to care and help us when we needed you most. So, therefore, we the class of 1981 wish to express our deep gratitude for all that you have done for us.

Dedication

We the class of 1981 wish to give you this dedication to show our appreciation for all that you have done for us.

This is just to thank you, Mr. Charles "Dock" Woody, our principal, for all of your efforts to be of help in any way possible. You have listened to our worries and problems with a sympathetic ear. Your understanding and helpful attitude has helped us to go on during these years of our life at Scotts Hill School. Without your help this yearbook would not have been possible. *We do appreciate you.*

I, Cathy Aaron, will my job as secretary of A.B.W. Trucking to anyone who can handle the pressure and the temper of my boss. GOOD LUCK!

I, Mark Dunavant, will my ability to skip school, come in late, and cut classes without getting caught to Ken Apache.

I, Mike Dyer, will my ability to be "Hollywood" on the basketball and baseball teams to Robin Grissom, also I will to James Wood and Tony Thompson my ability to "Stay Cool" on special occasions such as prom night and Halloween.

I, Janet Jones, being of sound mind will my emergency brake to Anita Powers and my warm hands to Dennis G.

I, Vicki Martin, will my ability to nickname people like Donna Do Nothing because she did nothing in volleyball and Paula Drink It All because she drinks everybodys beverage, to the bottle TWINS.

I, Tony Melton, will my ability to stay out of trouble most of the time to anyone who is stick enough to do it.

I, Melanie Montgomery, will my ability to get "Most Studious" and to hardly ever, ever study to Greg and Tim Montgomery.

I, Kelley Puckett, will my ability to get married, have a baby, work and still finish school to anyone who has the energy.

I, Tammy Rimmer, being of unsound mind and body will my ability to take hard subjects in school and make "good" grades, but still run the roads every night to Anita Powers, Jennifer Crews, and Vicki Wyatt.

I, Sandra Roach, will to Mickey Roach my ability to graduate from high school.

I, Marty Rushing, will my ability to leave school every day at eleven o'clock and still pass to Steve if he is man enough to do it.

I, Tony Wayne Thompson, will my ability to wear my hat in class every day which makes a good hiding place for cheat notes to Cliff Anglin.
